

AUDREY & JOSH

OUR STORY

Audrey and Joshua met while stationed in Schweinfurt, Germany in 2012. It was love not love at first sight! Audrey and Josh worked on the same team and butted heads often. After a few months a peace treaty was formed between them to focus on mission success. A few months later Audrey's grandmother was admitted into the hospital, Josh saw Audrey's distress and comforted her with advice and a listening ear. Since then Josh became the staple of Audrey's life. The two became the dynamic duo and were inseparable ever since. Josh and Audrey toured around Europe creating fond memories. In late 2013 the military had other plans and wanted to send Audrey to Washington state and Josh to Texas. Without hesitation Josh got down on one knee in Grafenwoehr, Germany and Audrey said "Yes!" In early 2014 the duo left Germany, had a wedding in Roanoke Rapids, North Carolina, and started their adventure together at Fort Hood, Texas.

While stationed at Fort Hood they each have traveled at least once to South Korea and all through the United States. Josh and Audrey loved Texas so much that they bought their first house in 2016. Their family started with one dog that multiplied into two more with a household total of three dogs! It may seem like a lot, but they enjoy the constant love and hikes along with their companions. Josh and Audrey live a very active lifestyle.

MEET

Audrey

My name is Audrey and I currently work for a company called 3M as Human Resources Talent Acquisition. I have served 10 years in the Army as a Communications Specialist. I have been stationed in Germany, Korea, and Texas. In 2010 I was diagnosed with cervical cancer which resulted in the doctors removing my cervix as well as parts of my uterus. I was cleared in 2017, but still get check ups every four years. I am excited to start this journey in our lives to extend our family. I attend Grace Christian church regularly as I believe everyone should know Gods love, but I never force my religion on anyone.

I am currently attending American Military University (AMU) full time in pursuite of a Bachelors Degree in HR management. In my spare time I enjoy painting, drawing, singing in the shower, dancing, reading, binging Netflix shows, fishing, hiking, practically anything fun and adventurous! "Adventure is out there!"

MEET

Joshua

Hi, my name is Joshua, but I go by Josh. My wife says I look intimidating when I first introduce myself to people, but I'm actually a softy (especially when it comes to children). I grew up in a massive family and would love to have a child of our own to teach them how to build and ride their own 4-wheeler, create anything out of wood, defeat me in the 'Sonic' video game, hunt, fish, camping, and to be a part of our annual summer beach vacation. I volunteered as a youth sports football coach on Ft. Hood.

I enjoy working out and being physically fit. My wife says grilling is my expertise. I have yet to grill anything she hasn't liked. I cannot thank my wife enough for always being by my side.

My favorite holiday is Christmas. Though it can still be warm in Texas in December that doesn't stop me, or us, from hanging up decorations and putting up the Christmas tree.

OUR HOME & COMMUNITY

Our home is situated in the suburbs located five miles from the entrance to Fort Hood. It is a quaint four bedroom, two bathroom house. One of the bedrooms has been made into an office for Audrey to work from as well as her piano, art supplies, and bookshelves to hold all her beloved books.

Out front we did some landscaping for Audrey to start her rose garden. You can see in the picture provided of her beautiful sunset roses.

Our backyard is big enough for a pool, swingset, trampoline, or anything the child will want or need.

We have been helping foster children of all ages so right now the child room is set up for older kids, but can easily be changed! As you can see we are huge Star Wars fans.

Currently we are working on our house to screen in our porch for extra outside shade.

Our neighborhood is filled with kids of various ages that you find outside riding their bikes, playing basketball or a bouncy house block party.

Grace Christian church is located seven miles down the road that provides a nursery and youth bible study.

Bell County is notorious for providing entertainment - live music, festivals, state fair, rodeos, etc. every month. Not to mention the pools located all around us and a 10 minute drive to BLORA (Belton Lake Outdoor Recreation Area) that has cabins, dirt bike riding tracks, horseback riding, paintball, archery, and so much more!

MEET

The whole family's faith grew through Trinity Lutheran Church and all a part of the Richmond Hirschajer Dance group. Audrey's mother is a stay at home mom that helps out her ailing sister. Audrey's mom partakes in marathons and has a zest for life and travel.

Audrey's father works in communications for the FBI. Outside from work her dad enjoys woodworking, playing harmonica, and floating in the river.

Collin has an adventurous soul and cannot stay in one place for too long. So he hikes all over the U.S.

HOBBIES & INTERESTS

We take a yearly summer beach trip to Corpus Christi to enjoy a week vacation away from all our work worries. It's a time for us to unwind and have fun in the sand. We also enjoy renting a cabin at Holley Range to shoot targets, go on Fort Hood to ride our 4 wheelers, or renting kayaks to go fishing on Belton Lake.

OUR *Promise*

Our promise to you is to love your child unconditionally regardless of race, orientation, gender, or religious preference and provide them with a fulfilled life of education, adventure, and love.

We are open to semi-closed or closed adoption. Possibly later on we can agree to opening a little more. As of right now we are willing to provide updates, pictures, letters, and possibly a yearly visit if that is something you would like as well.

Thank you to the expectant woman who is reading our profile. We are in the military, but please don't let that scare you away. We have been stationed at Ft. Hood, Texas since 2014 and in seven years we plan to retire in Roanoke Rapids, North Carolina on a five acre plot of land. We are excited to take this next step in our adventure.
