

Jill and Kevin

Dear Potential Birth Parents,

We are Jill and Kevin. We met 14 years ago when we were introduced by Kevin's brother and his wife. We became good friends and began dating shortly after. Our friendship grew stronger and our love story began. Our personalities complement and balance each other well. We are constantly learning from each other and building a stronger bond through the moments that we share. We have both become better people for it.

We are surrounded by wonderful family members and amazing friends. They have been there throughout the years for guidance and support. Having children has always been something we envisioned for our lives together. We believe that building our family through adoption is part of our destined plan.

"I love you not only for what you are, but for what I am when I am with you."

Jill...

My wife, Jill, is the most kind, loving, and caring person I know. Putting others' needs above her own is what I admire most about her. She is an incredible woman and everyone's friend. Jill has always been able to achieve her goals. She is a successful accountant and she is the leader she has always dreamed of being. She loves her job but looks forward to being at home with her family.

Jill loves spending time crocheting, cooking and baking. She is extremely bright and loves to read. Jill is very creative and I know one day she will share these passions with a child. Jill is an exceptional person, she is the love of my life. Her thoughtfulness, patience, and warmth are going to make her an amazing mother. I cannot wait for this next phase in our lives.

Kevin...

My husband, Kevin, is a wonderful man. He is a successful electrician. I have always known him to be a dedicated, hard worker. He has an energy about him that makes him so special and unique. Kevin is someone who loves to be outdoors but also enjoys the peace and quiet of his own home. He is an amazing woodworker and loves doing projects around the house.

Kevin loves being around his family and friends. Our nieces and nephews love spending time with their fun Uncle Kevin! He is very sociable and gets along with everyone. I am so lucky to have him in my life and I cannot wait to raise a child with him. He is going to be an amazing father.

Jill's Family...

My parents, Phyllis and Michael, have been happily married for 60 years. They are the true definition of love and marriage. They are high school sweethearts and protect their marriage at all costs. They gave my sister and me the freedom to be ourselves and ensured the best education for us.

My mom is a legal secretary. She loves to read and watch Jeopardy. My dad is an assistant principal for a high school. He is smart and funny and loves his family. He has always been the best provider and made sure we had a wonderful childhood.

I am so lucky to have a sister that I am so close to. We have always had such a special bond as kids and continue to do so as adults. My sister, Linda, is an associate director at a home for autistic children. She is patient and kind. She is married to Jeffery and they have one daughter, Isabella, 13. We recently took a trip to Disney with them and it was so much fun! We cannot wait to take a child of our own on family vacations. My family is going to love this baby beyond compare.

Kevin's Family...

My mom and dad have been married for 58 years. They are phenomenal parents and love being grandparents. My mom, Susan, is an executive assistant. She is a warm and loving person. My dad, Robert, is an electrician. He is hard-working and supportive. My parents live close by and we see them often. I truly appreciate the unconditional love and support that I always receive from them both. They give so much of themselves to their family. They are amazing grandparents and cannot wait to watch our family grow.

My siblings, Michael and Laurie, are both electricians. I guess you can say it's a family business! We enjoy coming together for family barbecues and vacations. Our nieces and nephews are all grown up now but we still enjoy seeing each other as often as possible. I know they are going to be wonderful role models to our children.

We hope that in reading this letter and looking at the special times that we have shared, that you have some sense of who we are, and what a wonderful relationship we have. We know that if we are fortunate to adopt, we will love this baby unconditionally. We live in a wonderful community and have a lot of children in our neighborhood. The schools are excellent and there are many local parks for children to enjoy. Our family and friends live nearby and they are all looking forward to being an additional support system.

It is our intention to express to you that our marriage is based on trust, love, support, encouragement, and honesty. Our family will grow with these same values. We are excited about this new phase in our journey together and look forward to bringing a child into our home. We are honored to be considered as adoptive parents and would love the opportunity to meet with you.

Warmest regards,
Jill and Kevin
