Our Story

We met while on vacation on Fire Island. We began dating and quickly fell in love. We talked about children soon after met and cannot wait to live our dream of becoming parents! We've been together for over 10 years and we truly are best friends. We have lived in Queens and the Bronx, but purchased our home in preparation of starting a family in Westchester County. It is our greatest wish to start a family and share our love with your child. We believe that since we cannot have our own biological children, the only solution is to provide for a lucky baby in need of a new home.

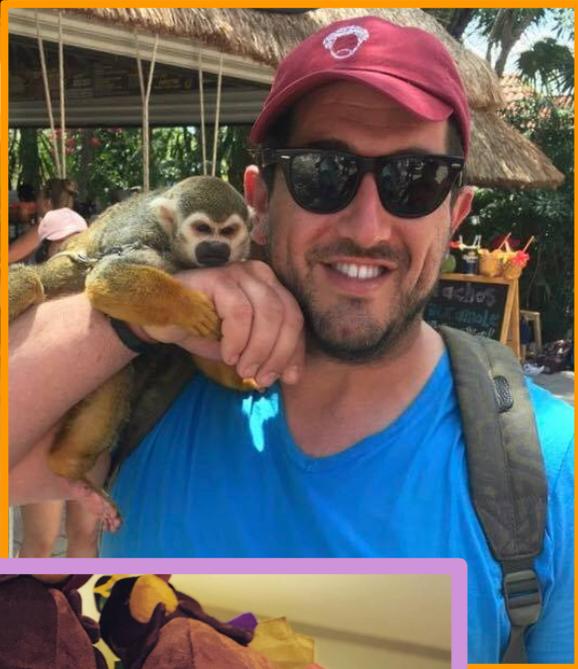

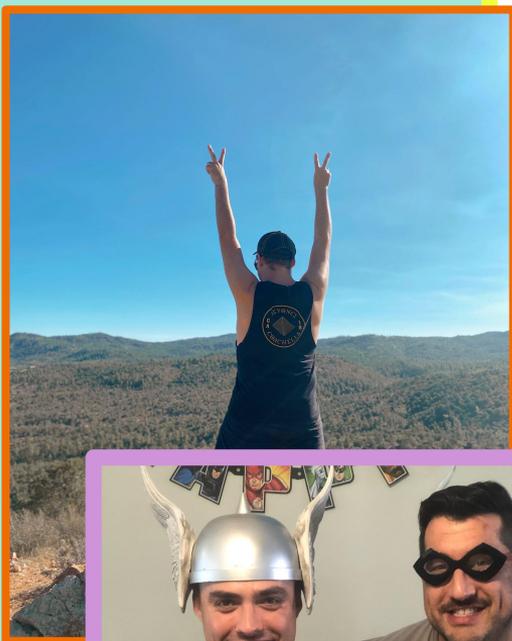

“
HOME IS WHERE
LOVE RESIDES,
MEMORIES ARE
CREATED,
FRIENDS AND
FAMILY BELONG
AND LAUGHTER
NEVER ENDS.
”

We love our life...

Together we enjoy being successful and to have fun and be silly. We love going on mini trips to NYC to shows, great food and to treat ourselves to a tourist day. The Zoo is one of our favorite places to spend a Saturday. *CORNY ...we know! but we really enjoy it!!!* We love museums and love a rainy weekend exploring new exhibits. We love life, we always find new things to enjoy and always find time to laugh. We work hard as a team and we always protect each other. We are deeply committed to each other's happiness and success. We encourage each other to always grow and expand our journey.

Our Home

We live in the Westchester suburb, it's 30 minutes north of NYC. Our home has 4 bedrooms and 3 bathrooms. It is warm, cozy and relaxing. It is in an incredibly safe neighborhood with excellent schools.

We love our neighborhood most because of its diversity.

We have a small friendly dog, Carter, who loves kids and plays with our nephews all the time. Our home has a room ready for a baby. *It promises to be a safe, secure and stable environment.*

Our neighborhood has a beautiful pool we also hang at a lot, it even has a kids section with a slide.

We're ready to share this safe space with a baby.
